Why Consider A Classics FC Program?

Classics FC is a member of the Olentangy Youth Athletic Association's family of soccer programs.

Classics is the travel program. OYAA offers four levels of soccer programming. See Resource Section for a diagram

- (1) OYAA Rec Soccer for boys and girls in the u5-u14 age groups
- (2) Classics Youth Academy for boys and girls in the u8, u9 and u10 age groups
- (3) Classics FC Competitive for boys and girls in the u9-u13 age groups
- (4) Classics FC Premier for boys and girls in the u9-u19 age groups

Classics FC programs designed to meet the age, ability and commitment level interests of families in the Olentangy Community. The club is driven to be THE best select soccer program in Central Ohio! Player Development remains the #1 priority of the club... the club philosophy and mission statement reflect the coaching staff's commitment to every young player and his/her family. Through individual efforts and team accomplishments we are committed to increasing the club's visibility at a local, state, regional and national levels. The club's partnership with the WASA Eagles to form the Classics Eagles alliance for players in the U13 through U18 age groups demonstrates our commitment to providing the best training and game experiences for our players.

Players and parents join a soccer family passionate about the game of soccer. Members of our professional coaching staff are selected because of their extensive playing, coaching and educational backgrounds. Staff members follow our player development philosophy that promotes skill development in a positive and caring approach to teaching the game of soccer. Teams are placed in leagues and tournaments that match their competitive level. The goal for all CFC Programs is to see soccer players and their teams achieve their fullest potential.

Philosophy

Classics FC is committed to player development both on and off the field. On the field, players compete in an environment appropriate for their skill level so they may reach their fullest potential. The players have fun and learn while participating in well designed training sessions prepared by a professional, nationally licensed coaching staff.

We believe that player development reaches far beyond just soccer skills. The Classics FC training environment allows players to develop positive character traits, achieve self-confidence, understand personal responsibility to teammates, and appreciate the value of good sportsmanship. Off the field, players are encouraged to strive for excellence in the classroom, to be excellent role models in their communities, and practice social responsibility through club sponsored activities and programs.

Mission Statement

To provide children the opportunity to develop soccer skills, knowledge and techniques in a challenging, motivating and FUN environment. This is accomplished through challenging practice sessions and competing against the best local, state, regional and national competition. Classics FC team accomplishments are the result of a player-first philosophy and each player's drive for excellence both on and off the soccer field.

OYAA RECREATIONAL SOCCER PROGRAM

The OYAA Recreational Soccer Program is the foundation for all OYAA Soccer Programs. Children are introduced to the game of soccer in a fun, safe and positive environment.

How to Sign up?

Parents register their child using the OYAA E-Registration system. <http://www.ojaa.org/ojaaregistration.asp>

How is my child assigned to a Team?

Information collected during the registration process helps the administrative staff assign players to teams (to the best of our ability) based on geographical location. For example, parents are asked to include the grade and elementary school their child will attend in the Fall. Parents also have the ability to request a specific coach and/or teammate(s). This information helps us to place players on teams. It does NOT guarantee the player/coach requests will be honored.

What Age Group is my Child in?

Children are assigned to age group/gender specific divisions based on their date-of-birth. Age groups are determined by the US Youth Soccer Association. For example, a child who turns 7 years old after August 1st is considered to be in the U7 age group. For a complete list of age groups and corresponding birth date/year ranges go to: <http://www.osysa.com/Registration/agechart.htm>

How Much Does OYAA rec soccer cost?

Fall 2011: New player registration, \$85

Spring 2012: Returning player registration, \$70; New Player, \$85

What is included in the fee?

The Registration fee includes league games, referees, uniforms, field maintenance and administrative expenses.

SOCCKER PROGRAM DESCRIPTIONS

Classics FC Soccer Programs

Each Classics FC program is designed and managed to maximize the learning and playing potential of the children participating in the program. The coaching staff recognizes players will grow and develop at different rates. It is very common for players to move between programs at different stages of their development.

SuperKick Classics Juniors Academy:

An exceptional skill development soccer program. The SuperKick Classics Juniors Academy replaces the very popular Legends Youth Academy. Why? We are able to share the experience with a larger number of players, reduce costs and offer seasonal registration. Players do not have to tryout. Players join during an open registration period starting June 25. Players are encouraged to play with their OYAA rec soccer team and then join the SuperKick Classics Juniors coaching staff 1 day per week for advanced skills training. Players are grouped by ages (u5, u6 & u7). Players are accepted on a space available basis to maintain desired player to coach ratio.

Youth Academy Program

The Classics Youth Academy includes Competitive and Premier level teams in the U8, U9 and U10 boys and girls age groups. The Program is under the direction of Youth Academy Director, Erik Ekis who oversees and manages all aspects of the program. Erik has been coaching youth soccer players in Central Ohio for more than 20 years.

The Youth Academy schedule, training, curriculum and philosophy is modeled after recommendations made by the US Soccer Federation and US Youth Soccer. A heavy emphasis is placed on skill (technical) development, as well as improved confidence and creativity. In each age group, the individual player development needs are balanced with the team needs. While players in our program are encouraged to work hard and compete, it is important at these ages that your child plays on a team they enjoy and provides a great training environment.

Classics Competitive Program

The Classics FC Competitive Program is designed to offer players/coaches the opportunity to play soccer at a level above the OYAA recreational program as players move towards the Classics Premier Program. Age groups include U9 to U13. The teams and coaches receive support from the Classics FC Directors of Coaching to help manage their teams. Players have the opportunity to participate in additional training in the youth academy program.

Classics Premier Program

The Classics Premier program includes teams in the U9 to U12 age groups. These teams are professionally coached and participate in local, state and regional leagues based on age and competitive level. The U13 to U18 age groups play under the Classics Eagles alliance. For more information visit the website at www.classicseagles.com

- Players must tryout for teams in these age groups; teams are formed based on ability and performance.
- Classics supports teams at multiple levels

SOCCER PROGRAM DESCRIPTIONS

Classics FC Youth Academy | U8, U9 and U10 Boys and Girls

The Classics FC Youth Academy includes Competitive and Premier level teams in the U8, U9 and U10 age groups. The Youth Academy, a key component in our Player Development Model, is focused on improving how players develop technical skills, tactical understanding and passion to enjoy the game of soccer for a lifetime. This model improves parental awareness and more efficiently connects all OYAA soccer programs (recreation to competitive to premier). Designed to help players, parents and coaches transition away from recreational soccer into the travel soccer programs, the CFC Youth Academy is characterized by....

- Consistent training environment based upon player-first development curriculum
- Tiered Pricing based upon commitment, interest and ability level
- Age appropriate travel expectations
- Balanced mix of academy style training and team focused sessions
- Ability based pool training that brings together players from Competitive and Premier teams
- Communication from directors to parents regarding policies, philosophies, education opportunities

U8 CFC Youth Academy Program \$535.00

This is the first time a child can play outside the OYAA recreational environment. After playing multiple seasons of recreational soccer and training in the SuperKick Classics Juniors Academy players are ready for a more advanced training and game environment. Under the direction of the Youth Academy Director of Coaching, the teams, coaches, players and parents come to understand the developmental priorities for this age group. The #1 focus is developing, refining, and expanding each player's technical skills in areas like dribbling, passing, shooting, 1v1 attacking and juggling. Team concepts and rules of the game are introduced and appropriately balanced with individual player development. All teams are coached by parent-volunteers and professionally trained (10x in the Fall, 10x in the Winter, 10x in the Spring).

How are teams formed?

Option 1 --

Players can join the u8 Youth Academy as a team. While players do not have to attend tryouts, it would be great if they came so they can meet the Professional coaching staff. Players must register using the Online Registration system. The team must have a coach. The coach must complete and return a Team Application (see link above).

Option 2 --

Players must register as individuals and are asked to attend tryouts for an evaluation. Players invited to participate will be assigned to a player pool for training and games managed by the Youth Academy Director of Coaching. Teams will be assigned a parent coach.

CLASSICS PREMIER COACHING STAFF

Who is Coaching my child?

Classics FC has assembled the finest, most experienced professional coaching staff in central Ohio. All coaches have a combination of playing and coaching experiences that they share with the players. The Directors of Coaching and coaching staff have extensive experience working with players at all skill and ability levels. All coaching staff members are licensed by either US Soccer Federation or the National Soccer Coaches Association of America. The coaches attend regularly continuing education events like coaching education workshops as well as professional coaching conventions and seminars.

All Classics Premier teams are assigned a Head Coach for each year. Team coaching assignments for the upcoming Fall are typically announced before the start of tryouts for each age group. There is no club policy that limits the number of years a coach may work with a single team. Players/teams should be introduced new coaches so they are exposed to new ideas and methods of teaching the game. Finalizing staffing assignments is a long process. We strive to share information regarding your child's coach prior to tryouts or as soon as they are confirmed.

Directors of Coaching

Mike Lentz - Director of Soccer; Boys Director of Coaching : oversees the day-to-day operations of all OYAA Soccer program. Works closely with the Boys coaching staff to implement the player development curriculum. 14 years club coaching experience; 11 years college coaching experience; Region II ODP staff; USSF "A" licence; USSF National Goalkeeper license

Brandon Koons - Girls Director of Coaching : works closely with the Girl's coaching staff to implement the player development curriculum. 13 years college coaching experience; 10 years club coaching experience. USSF "C" license

Jay Martin - Technical Director : designs/updates CFC and CEFC player development curriculum; works with all coaching staff members to maximize the training/game environment through coach assessments and observations.

Erik Ekis - Youth Academy Director : joined CFC in 2010 after leading successful the Ambassadors SC for 16 years. Will oversee all aspects Youth Academy Program. Holds his USSF "B" License.

Classics Premier Program Coaching Staff - 2011-12

Team coaching staff assignments will be shared via email and posted on the Classics FC website.

Frequently Asked Questions - Tryouts, teams, schedule....

Each year, Classics holds tryouts for the Premier level, professionally coached teams. The tryout schedule and notification process is governed by the local travel leagues so all clubs in the central Ohio communities are operating on a fair and common schedule.

Tryout Schedule & Age Group Guidelines

A complete tryout schedule for teams playing during the 2011-12 seasons can be found in the Resource Section of this packet. The CFC Tryout Flyer includes information regarding tryout age group guidelines, dates, times and locations.

The Tryout Process & Evaluation

- Tryouts are held over a three day period for each age group. Each tryout session will last approximately 75-90 minutes. Players are encouraged to attend as many days as possible to allow our independent evaluators and coaching staff the opportunity to assess their skills. The more opportunities the evaluators have to see you child, the better their evaluation will be and subsequently the easier it will be to place your child on the correct team.
- The assessment will be on technical ability, small group and game-situation performance. For example, passing, receiving, juggling, shooting, dribbling, heading etc. They will also participate in small group activities such as 2v2, 3v3, 4v4 and/or 5v5. Finally, players are organized into teams and play in a match related environment similar to their age groups league format (6v6, 8v8 and/ or 11v11).
- The evaluation team is comprised of the Directors of Coaching, the current team's coaching staff, next year's coaching staff and independant evaluators. At the end of the third night of an age group/gender tryout, the evaluator assessments are supplemented with input from the coaching staff and the Director of Coaching.

Notification - Did my child make a team?

- At the end of each tryout week, the evaluation team meets to review the players' evaluations and create the teams for next year. Some teams will be more competitive than others. The focus will be on the developmental needs of each player and the team's competitive level.
- Classics FC will begin notifying tryout participants with the results and offer roster spots at 2:00 PM on the Sunday after age group tryouts. This is a League by-law and must be followed by all clubs in central Ohio.
- ***NEW*** -- Tryout results (player number) will be posted on the Classics FC website. The Notification process will be reviewed at the parent meeting on the last night of tryouts for each age group. The posting of tryout results may be supplemented with phone calls from a member of the Classics FC staff . The goal is to expedite the notification process so children are not waiting all day to hear from a coach.
- **Acceptance:** There will be a set time limit within which to accept the position offered to their child. Families will be asked to reply via email. After the initial acceptance, the parents will receive a confirmation email that details the next steps. The email will include instructions for confirming the roster position and paying the commitment fee.
- Please make sure you have provided accurate email and phone numbers during the registration process.

Can my child “play up” an age group?

US Youth Soccer defines age group criteria. A player must turn the age group “age” on or after August 1, of that year. For example, a player must turn 8 years old between August 1, 2011 and July 31, 2012 to be consider eligible for the U8 Youth Academy. A child is permitted to play “up” in age provided they meet the following requirements:

- (1) the player receives permission to tryout for an older age group prior to tryouts, and
- (2) the players also attends the tryout sessions for their own age group.

Classics FC is committed to finding the appropriate level of play for a child based on their skill, athletic ability and maturity levels. Final decisions are left up to the discretion of the Directors of Coaching.

What is the time commitment for a player who joins a Classics Premier team?

It is extremely important to understand that upon acceptance of an offer to play, the commitment to a Classics FC Youth Academy, Competitive and Premier team is for one entire year (August through the end of May). The commitment is to be honored by all parents, coaches and administrators of the team.

Fall Season: (August, September, October)

- Teams practice 2-4 times per week during the month of August. Once league games begin, teams practice 1-3 times per week based on their age group and game/tournament schedules.
- Teams play an average of 8-10 league games in the fall season
- Teams participate 1-3 tournaments in the Fall season. A tournaments may be local or it may require out of town travel and some additional expenses such as hotel, food etc.

Winter Season

Indoor training is included in the team fees paid. All indoor training takes place at the SuperKick Training Facility in the Orangepointe Commerce Center in Lewis Center. Winter indoor training days may not be the same as your team's outdoor practice schedule. Teams train 1x per week for 10 weeks starting around January 2nd. Teams have the option of playing in indoor leagues at SuperKick and other indoor facilities in the Central Ohio area. These arrangements are managed by each team's coach. Classics and its indoor training facility partner SuperKick do offer a wide variety of optional training programs at significantly discounted rates to Classics Premier families. For example,

- * 4v4 skill leagues
- * Speed and Agility classes
- * Skill and Speed classes
- * Strength and Conditioning classes

Spring Season : (March, April and May)

- Teams practice 2-4 times per week during the month of March. There is some overlap with the indoor training because the weather conditions are unpredictable. Once league games begin, teams practice 1-3 times per week based on their age group and game/tournament schedules.
- Teams play an average of 8-10 league games in the spring season
- Teams participate in an average of 3 tournaments in the Spring season. A tournament may be local or it may require out of town travel and some additional expenses such as hotel, food etc.

Where to Classics Premier teams practice? Play Games?

Practices: Classics FC Premier teams utilize practice locations within the Olentangy School district boundaries. These sites are scheduled by the club directors so they are used in compliance with the arrangements set forth by the parks, school and churches granting access. We respect our relationships with these facilities and treat them as such.

League Games: Teams are entered into leagues that best match their competitive level each season

Ohio Champions League (OCL) -- CFC Youth Academy Competitive teams

Mid Ohio Select Soccer League (MOSSL) -- Classics FC Premier teams U9, U10, U11, U12

Buckeye Premier Youth Soccer League (BPYSL) -- Classics Premier U11 to U12 age groups

Region II Midwest League (MRL Region II) -- Classics Eagles U14 to U18 age groups only

What is the Classics Eagles Alliance?

* Started in 2009, Classics Eagles is an alliance of two youth soccer clubs committed to providing older players with the best in coaching/training, culture and competition so that they can maximize their potential on the field.

* Classics Eagles is a culture that demands players value excellence, respect and hard work. This culture develops skills necessary to succeed both on the field and in other aspects of their lives (friendships, school, work etc).

* Classics Eagles Alliance provides an elite advantage for teams and players at multiple skill levels.

The Classics Eagles Alliance offers players . . .

- * An opportunity to compete in training, games and tournaments with teammates who like commitment level, skill ability and goals
- * Professional coaching at training, games & skills sessions
- * Winter Indoor Training at the SuperKick Facility

Professional Coaching Staff - see website for Names/ Bios!
Individuals committed to improving your child's ability to play and understand the game. Coaches are professionally licensed by the USSF and/or NSCAA. They uphold and exhibit a professional attitude, promote good sportsmanship, display passion for the game, and share commitment level of the players and teams they are coaching. They possess the ability to appropriately challenge the players/team in all aspects of their development.

Classics FC Uniform Information

Starting in the Fall 2011, all Classics FC teams in at ALL program levels will wear the same uniform.

This will ensure our soccer program is united under a single brand. A single brand will allow players to move more easily onto new teams between seasons and should increase guest playing opportunities.

Important Notes:

- Players will wear this uniform kit for 2 years
- Families will be asked to attend a uniform sizing and ordering session
- Payment is due when you place the order. Orders will not be placed without payment
- Payments will not be processed until the uniform pieces are delivered in August
- * IMPORTANT * all u12 Premier teams will wear Classics Eagles uniforms so families do not have to purchase uniforms two consecutive years.

U8 Youth Academy teams

- Required: 2 jerseys, 2 shorts, 2 pairs of socks,
- Optional: training jacket, trainnig pants, bag and rain jacket
- Approx. cost for required uniform package is \$130.00 (total # of items ordered influences price)

U9 to U12 Premier Teams

- Required: 2 jerseys, 2 shorts, 2 pairs of socks, training jacket, trainnig pants and bag
- Optional: rain jacket
- Approx. cost for required uniform package is \$275 (total # of items ordered influences price)

Competitive Teams (U9 to U13)

- Required: 2 jerseys, 2 shorts, 2 pairs of socks
- Optional: training jacket, training pants, bag and rain jacket
- Approx. cost for required uniform package is \$130.00 (total # of items ordered influences price)

Uniform Fitting Sessions : Uniforms are typically ordered at the Team Commitment Meetings. Because there are so many players, the Youth Academy and U11 Premier teams will have the opportunity to try-on uniforms at prior to the meeting. We will collect sizes on the uniform order form. We will not collect payment until the each age group's team commitment meeting (see next page). The goal is to reduce congestion at the team commitment meetings.

Option 1: Tuesday, May 31st 5:00 to 8:00 PM Liberty Park, Shelter #4 (near the tennis courts)
Ages/Teams: U8, U9, U10 Youth Academy; U11 Premier boys and Girls

Option 2: Wednesday June 1st 6:30 to 8:00 PM SuperKick Zone A
Ages/Teams: U8, U9, U10 Youth Academy; U11 Premier boys and Girls

Option 3: Age Group Team Commitment meeting the week of June 13 See next page

Unable to attend one of the uniform fitting sessions, please contact Liz Bode LZBode@yahoo.com

Team Commitment Meetings

There is much work to be completed over the summer to ensure the players can start the season in August. Uniforms must be ordered, paperwork and fees collected, meet the coaching staff and so much more! The team commitment meetings are designed to share information with parents about the upcoming season, allow players to meet teammates and collect paperwork necessary for each team's participation in competitive leagues.

Location: **Olentangy High School** 675 Lewis Center Road, Lewis Center, Ohio 43035

Meeting Agenda

1. Players try-on uniforms; complete uniform order form; submit payment; turn in player registration paperwork
2. Parents and players listen to short presentation from Directors of Coaching/ Guest Speaker
3. Families meet with coaches (if applicable)
4. Finish uniform fittings in needed
