

2010-11 CFC Legends Youth Academy

Boys & Girls u6 to u9 age groups

What is the CFC Youth Academy?

An exceptional co-ed soccer program, the Youth Academy will develop and enhance basic technical skills and encourage players to have fun while participating in age appropriate activities and small-sided games. Players are encouraged to participate with their teams in other OYAA soccer programs (i.e. OYAA Rec or CFC Competitive) **and** then join the CFC Professional Coaching staff 1 day per week. Players do not have to tryout for the Academy and will be accepted on a space available basis. To maintain our desired player to coach ratio, each Group (u6-u7 and u8-u9) will be capped at 30 players.

To enhance the CFC Youth Academy curriculum, game dates may be added to the CFC Academy schedule in Fall, Winter and Spring. The goal is schedule these games on a regularly scheduled training days. **Why are we adding games?** The goal: to give players the opportunity to apply the skills learned in training to game-like situations. Players will play in a fun, positive environment designed to encourage creativity. The games will be managed/coached by the Classics FC professional Youth Academy staff.

" Two of our children attended the youth academy this past year. I wanted to share that this program has tremendously improved their soccer skills. The difference between their game from fall to spring was amazing. Their ball control and handling, passing and shooting has significantly improved; including strengthened use and accuracy with their non-dominant foot. Not only was your program technically beneficial, the kids had so much fun. They are always happy and laughing after academy training. Thank you to all the coaches for providing this wonderful program. "
