Vision for the Future

To inspire our soccer community to value and believe in a process that creates a positive learning environment which develops technically smart, creative, confident, hardworking, respectful, and tactically sound players who will enjoy the game of soccer for a lifetime.

Vision for the Future

- Build** an organization dedicated to promoting the growth of soccer in the Olentangy community.
- Provide** a safe, fun and progressive learning environment for players ages 4 to 19.
- Develop** technically smart players who will grow to love, respect and enjoy the game of soccer for a lifetime.
- Promote**, guide and nurture players' dreams to compete at the highest levels based on individual skill, athletic ability and knowledge of the game.
- Educate** players, parents and coaches about age appropriate developmental paths for and the needs of youth players.
- Support** multiple levels of programming that meet player needs at all skill and commitment levels.
- Establish** partnerships with community organizations and businesses to build a soccer specific complex
